## OFF TO A GREAT START!

It's hard to believe that we are already 7 weeks into the school year! We hit the gates running, and our teachers, leaders and little learners have been making magic happen in the classroom. We are so proud of this strong start, and the growth we have already seen from our little leaders.

## BUILDING OUR DREAM SCHOOL

- NATURE PLAYScape • PLAYGROUND
- OUTDOOR CLASSROOM

As TLS grows and expands, we are always looking for ways to improve our little learners' academic experience. One of the ways we are looking to improve our campus is by building an outdoor play and learning space. To make this dream a reality, we have set a goal to raise \$100,000 by May 1, 2026. Please support us throughout the year by participating in the fundraising events!
