

JANUARY 5TH FAMILY NEWSLETTER

Welcome to second semester!

As we enter into the second half of our school year, we want to take a quick moment to thank all of our students, staff and families for the hard work that has gone into making this school year such a success so far! It truly takes a village to love, support, encourage and teach our students and we appreciate each of you.

Academic Updates:

We have finished our mid year testing for grades 1-5. Below you can see some quick screenshots of our exciting mid year progress!

For reading, we have already met 68% of our growth goal for the year! We moved from a total of 15% of our students reading at grade level to 31%!

Reading snapshot:

For math, we have already met 59% of our growth goal for the year! We moved from a total of 5% of our students doing math at grade level to 17%!

Math snapshot:

Your student will come home with their report card and individual iReady score report on Friday, January 9th.

JANUARY 5TH

FAMILY NEWSLETTER

Attendance Announcements:

We are excited to reintroduce our monthly attendance rewards to celebrate our students' commitment to learning! To qualify, students need 95% attendance (meaning no more than one absence) and positive behavior. Each qualifying student will receive a reward, and the top attending class will earn an extra-special class lunch party!

January Character Focus:

Our leadership character focus this month is responsibility! We will be discussing with students what it means to be responsible , both within our TLS community and at home.

At TLS, responsibility includes being accountable for one's actions and choices, demonstrating self control, and doing the right then even when no one is watching.

We encourage you to join us in reforming these values. By discussing responsibility at home, you can help your student fully embrace responsibility!

Girl Scouts Informational Meeting:

Tuesday, January 13th in the multipurpose room of Building B. Come learn about how your student can get involved with Girl Scouts this year!

Staffing Update:

We are very excited to welcome Mrs. Shantell Assouman to our TLS teaching team! She is teaching 4th grade math, coming to us with 5 years of experience as an educator and has already kicked off the semester strong for our students!
